As a resort surrounded by the Ayung River in Ubud, a district known for its natural beauty, Mandapa, a Ritz-Carlton Reserve captures both the magic of Bali and the serenity of seclusion. The charm of this hotel lies not only in its spiritual and cultural richness, but in the joy of simply letting go. Here, surrounded by verdant rice paddies and ancient temples, guests will find joy in escaping daily distractions while turning to more relaxing endeavours, whether practicing yoga in a peaceful pavilion, biking through nearby villages, experiencing the local Balinese cuisine, or surrendering to pure bliss at the hands of an experienced spa therapist.
